## **Haworth Payment Solutions makes the budget approval process easy.**

Most municipal entities find periodic payments easier to get approved versus the total project purchase price. That's where affordable financing for your new Haworth furniture from Haworth Payment Solutions comes in. Municipal Payment Plans allow your agency to:

### **Finance 100% of Your Project**

With Haworth Payment Solutions, you can finance your entire furniture acquisition, space transformation and other costs such as delivery and installation right on the lease.

### **Structure Payments to Match Your Budget**

Haworth Payments Solutions offers Annual and Quarterly Payment Structures to meet your budgetary needs.

### **Accelerate Your Purchase Schedule**

Haworth Payment Solutions can structure payment plans around your budget so you can get the equipment you need now and spread the costs over multiple budget periods.

### **Defer Front-loaded Project Cost**

With Municipal Extended Payment Plans, you can defer project costs by spreading them out over the term of your plan.

### **Upgrade Flexibility & Cost Expansion**

You can conveniently add new furniture to your payment plan at any time during your lease term

### **Terminate without Penalty**

Your agency has the legal right to cancel the lease after the current budget period and return the equipment, should funds not be appropriated for the following year. No penalties!

## **Get the furniture you need, while getting the most out of your budget.**
