ISCG
WORKPLACE INSPIRED

ISCG has been designing inspiring workplaces since 1976. Integrating holistic solutions that improve human, organizational, and facility performance, we'll help your company create a space that attracts and retains the best talent and maximizes employee performance and happiness. Additional services include furniture and materials selection and procurement, project management, furniture installation and more.

What improvements can you make?

PRODUCTS

SIT-TO-STAND DESKS that reduce fatigue, improve comfort, and allow for a physical break without leaving your desk

ERGONOMIC TASK CHAIRS that improve posture by allowing you to adjust your lumbar support, arm height, seat depth, and more

STANDARDIZED WORKSTATIONS and demountable glass walls to allow for future growth and success

USER-CENTERED TOOLS such as mobile tables, privacy screens, marker boards, and lounge chairs with tablet arms that allow for individual control

ENVIRONMENT

SOUND MASKING to provide acoustical privacy and eliminate distractions

MORE NATURAL LIGHT through the use of glass walls, lower height panels, and fewer private offices, leading to reduced boredom, stress, and anxiety

AMBIENT, TASK & ACCENT LIGHTING to reduce eye strain and simulate sunlight

ADJACENCY CONSIDERATIONS for departments that frequently work together to reduce foot traffic and impromptu meetings that may be disruptive to others

SPACES

"PHONE BOOTH" ROOMS for individual privacy away from high-traffic areas

FORMAL CONFERENCE SPACES for presentations and tactical meetings

INFORMAL TEAM ROOMS that allow for more creativity, outside-the-box thinking, and collaboration
